**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**R.Veerabhadra Rao**, (EMP. ID No.**1026309**),**SE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**R.Veerabhadra Rao**, (EMP. ID No. **1026309**), **SE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**V.Prabhakar**, (EMP. ID No.**1059296**),**GM/HR** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**V.Prabhakar**, (EMP. ID No. **1059296**), **GM/HR** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**P.V.Ramesh**, (EMP. ID No.**1060000**),**DE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**P.V.Ramesh**, (EMP. ID No. **1060000**), **DE/ Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**P. Venkata Nagendra Kumar**, (EMP. ID No.**1040252**),**DE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**P. Venkata Nagendra Kumar**, (EMP. ID No. **1040252**), **DE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**K. Vinayaka Prasad**, (EMP. ID No.**1066429**),**DE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**K. Vinayaka Prasad**, (EMP. ID No. **1066429**), **DE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**M. Narendra Kumar**, (EMP. ID No.**1067996**),**DE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**M. Narendra Kumar**, (EMP. ID No. **1067996**), **DE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**P. Pedamalayadri**, (EMP. ID No.**1046300**),**DE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**P. Pedamalayadri**, (EMP. ID No. **1046300**), **DE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**S. Ramesh**, (EMP. ID No.**1044163**),**DE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**S. Ramesh**, (EMP. ID No. **1044163**), **DE/ Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**Ch.Venkata Siva Ram**, (EMP. ID No.**16024**),**ADE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**Ch.Venkata Siva Ram**, (EMP. ID No. **16024**), **ADE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**K. Siva Shankar Reddy**, (EMP. ID No.**1072220**),**ADE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**K. Siva Shankar Reddy**, (EMP. ID No. **1072220**), **ADE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**N.Ramalinga Reddy**, (EMP. ID No.**1072223**),**ADE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**N.Ramalinga Reddy**, (EMP. ID No. **1072223**), **ADE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**G.Ananthiah**, (EMP. ID No.**1073875**),**ADE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**G.Ananthiah**, (EMP. ID No. **1073875**), **ADE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**B.Pulikonda**, (EMP. ID No.**1072513**),**ADE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**B.Pulikonda**, (EMP. ID No. **1072513**), **ADE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020** and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt. **T.Sujatha**, (EMP. ID No. **1074751**), **ADE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**T.Sujatha**, (EMP. ID No. **1074751**), **ADE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**M.Naveen Babu**, (EMP. ID No.**1060411**),**ADE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**M.Naveen Babu**, (EMP. ID No. **1060411**), **ADE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**S.Mounika**, (EMP. ID No.**18657**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**S.Mounika**, (EMP. ID No. **18657**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020** and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**P.Chand Basha**, (EMP. ID No.**18665**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**P.Chand Basha**, (EMP. ID No. **18665**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**P.Vamsi Krishna**, (EMP. ID No.**18843**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**P.Vamsi Krishna**, (EMP. ID No. **18843**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**B.Lakshminarayana**, (EMP. ID No.**17529**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**B.Lakshminarayana**, (EMP. ID No. **17529**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**K.Srikanth**, (EMP. ID No.**18649**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**K.Srikanth**, (EMP. ID No. **18649**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020** and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**S.Sivanarayana**, (EMP. ID No.**19329**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**S.Sivanarayana**, (EMP. ID No. **19329**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup> read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**K.Ramanath**, (EMP. ID No.**18110**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**K.Ramanath**, (EMP. ID No. **18110**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**A.Tulasi Krishna**, (EMP. ID No.),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**A.Tulasi Krishna**, (EMP. ID No. ), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt. **T.Krishna Gopal Reddy**, (EMP. ID No. **18087**), **AE/ Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt. **T.Krishna Gopal Reddy**, (EMP. ID No. **18087**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**S. Saidulu**, (EMP. ID No.**9291**),**AE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**S. Saidulu**, (EMP. ID No. **9291**), **AE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**S. Srisailam**, (EMP. ID No.**1068302**),**AE/Elc.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt. **S. Srisailam**, (EMP. ID No. **1068302**), **AE/ Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020** and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

**ORDER :**

As per the provisions of AP Reorganisation Act, 2014, and as per the orders issued by the Government of Andhra Pradesh in G.O. 2<sup>nd</sup> read above, Transfer of Anantapur and Kurnool districts from CPDCL (Now TSSPDCL) to APSPDCL was ordered. Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**K. Venkata Naidu**, (EMP. ID No.**1044370**),**AAE/Ele.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**K. Venkata Naidu**, (EMP. ID No. **1044370**), **AAE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**P. Venkata Ramana**, (EMP. ID No.**1064564**),**AAE/Elc.** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**P. Venkata Ramana**, (EMP. ID No. **1064564**), **AAE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**N Venkata Chendra Sekhar Reddy**, (EMP. ID No.**1060528**),**AEE/Civil** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**N Venkata Chendra Sekhar Reddy**, (EMP. ID No. **1060528**), **AEE/Civil** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**V. Satyanarayana**, (EMP. ID No.**1064435**),**AO** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**V. Satyanarayana**, (EMP. ID No. **1064435**), **AO** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**Nagaraja Rao M.S.**, (EMP. ID No.**90016154**),**AAO** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**Nagaraja Rao M.S.**, (EMP. ID No. **90016154**), **AAO** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**R V S Rama Rao**, (EMP. ID No.**1043936**),**AAO** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**R V S Rama Rao**, (EMP. ID No. **1043936**), **AAO** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**T. Srinivasulu**, (EMP. ID No.**1068409**),**AAO** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**T. Srinivasulu**, (EMP. ID No. **1068409**), **AAO** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt. **T Bhanoji Rao**, (EMP. ID No. **1043756**), **JAO** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**T Bhanoji Rao**, (EMP. ID No. **1043756**), **JAO** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**B. Triveni**, (EMP. ID No.**1070966**),**JPO** working in APSPDCL on order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**B. Triveni**, (EMP. ID No. **1070966**), **JPO** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**R. N. Prasad Reddy, SE**, (EMP. ID No.**1065781**),**Now CE/Ele.** working in APSPDCL order to serve basis till date, now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**R. N. Prasad Reddy, SE**, (EMP. ID No. **1065781**), **Now CE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

Accordingly, certain posts and staff were transferred on “order to serve basis” to APSPDCL with effect from 02.06.2014.

2. In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.

4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.

5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.

6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.

7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.

8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.

9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**Y. SANJAY KUMAR**, (EMP. ID No.**2110**),**SE/Ele.** working in APSPDCL now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**Y. SANJAY KUMAR**, (EMP. ID No. **2110**), **SE/Ele.** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.

In compliance to the Government Orders, provisional allocation of employees working at APCPDCL (Now TSSPDCL) Head Quarters was made to APSPDCL to carry out day to day works from the appointed day i.e., 02-06-2014 vide references 3<sup>rd</sup> and 4<sup>th</sup> read above. Further, it was ordered that, all the employees working in Anantapur and Kurnool Circles on the appointed day will continue in the same places till the final allotment of employees to the respective DISCOMs is completed.

3. During the course of time, though modalities for division of employees between two organisations were proposed by APTRANSCO, the TSTRANSCO did not agree and have on 10-06-2015 unilaterally relieved 1157 employees working in TS Power Utilities stating those are natives of AP State.
4. Aggrieved by the act of TS Power Utilities, several cases were filed by some of the employees and also A.P Power Utilities before Honourable High Court of Andhra Pradesh.
5. During further course of time, the A.P High Court, vide judgment dt.02.02.2018 set aside the orders dt.10-06-2015 issued by T.S.Power Utilities and directed Power Utilities of both the States to form a joint committee to formulate modalities for division of employees.
6. Aggrieved by the judgment of Honourable High Court, TS Power Utilities and TS Power Unions/Associations filed SLP before The Honourable Supreme Court of India and Hon'ble Supreme Court in the reference 6<sup>th</sup> cited issued orders constituting One Man Committee with Hon'ble Mr.Justice D.M.Dharmadhikari, Retd., Supreme Court Judge to decide the division of Power Utility employees of both the States.
7. The said One Man Committee conducted series of meetings with all stakeholders including the Managements of T.S Power Utilities and A.P Power Utilities and also with the employees Associations of both the States from 20-01-2019 to 15-12-2019 and submitted its final report on 26-12-2019.
8. Aggrieved by the report of the One Man Committee, AP Power Utilities filed Miscellaneous Appeal No. 60, 61 & 62 /2020 (and other connected matters) before the Honourable Supreme Court of India. The Honourable Supreme Court of India by an order dt.24.01.2020 directed the said One Man Committee to consider the representations of A.P.Power Utilities and to correct the mistakes if any in the report dt.26.12.2019.
9. As per the directions of the Hon'ble Supreme Court of India, the One Man Committee headed by Justice D M Dharmadhikari former Judge, Supreme Court of India, has submitted supplementary report dt.11-03-2020 to the final report dt.26-12-2019. The Committee has prepared separate allocation lists, based on final modalities dt.17-04-2019 containing names of employees Company-wise who are found suitable for being allocated. Along with the Final Report dated 26.12.2019, 655 employees out of 1157 unilaterally relieved employees were allocated to the Andhra Pradesh power utilities and balance 502 employees were allocated to TS Power Utilities. Out of 655 employees **113** have been allocated to **A.P.SPDCL**.

10. As further directed in the Supplementary Report dated. 11.3.2020, 71 employees have been identified by the committee itself as special cases covered by Modality No. VIII to XIII to be allocated to Telangana State. Further The Sub-committee member of A.P Power Utilities was entrusted with the task of identifying 584 employees from out of the employees actually working with the A.P. Utilities on “order to serve basis” in APSPDCL from out of the list Annexed to the Supplementary Report of the Committee and to allocate them from A.P Power Utilities to TS Power Utilities. Since 113 Nos. employees have been allocated to APSPDCL (out of the 655 employees) a similar number i.e. 113 (including 15 out of the 71 identified by the Committee itself) have been identified for allocation from APSPDCL to TSSPDCL.

11) While identifying the said 584 employees to be allocated to Telangana Power Utilities, it has been specifically directed that the identification of abovementioned 584 employees should be other than the 655 employees allocated to A.P. Utilities out of earlier relieved 1157 under the Final Report dated 26.12.2019 who were relieved by T.S in furtherance of the said report dt.26.12.2019, and were awaiting orders of joining in AP Power Utilities. Thus the identification of the 584 employees have to be made from the employees actually working in A.P. on “order to serve basis”. It is again clarified in the clarification dated 13.03.2020 issued by the one-man committee to the supplementary report dated 11.03.2020.

12) As such, the process of identification of 584 employees to be allocated to T.S.Power Utilities has been completed by The Sub-committee member of A.P Power Utilities in accordance with the Modalities and working modalities laid down by the committee. A list of the said identified 584 employees has been submitted to the Hon’ble One Man Committee vide reference 10<sup>th</sup>read above in compliance of the directions contained in Para 27 of the Supplementary Report dated 11.03.2020.

13) The One Man Committee issued clarificatory orders dated 13-03-2020 in the reference 11<sup>th</sup> read above. Thus in compliance with the Supplementary report dt.11-03-2020 of the Honourable One Man Committee, the employee by name Sri/Smt.**P. M. JAIKESH YADAV**, (EMP. ID No.**85000140**),**Law officer** working in APSPDCL now stands finally allotted to TSSPDCL.

14) Therefore in compliance of the directions contained in Para 29(I) of the supplementary report dated 11.3.2020, Sri/Smt.**P. M. JAIKESH YADAV**, (EMP. ID No. **85000140**), **Law officer** who now stands finally allotted to TSSPDCL, is hereby relieved from the services of APSPDCL **with effect from 14.03.2020**AN and he/she is ceased to be the employee of APSPDCL, and he/she is directed to report to the Chairman and Managing Director/TSSPDCL/Mint Compound/Hyderabad to get posting orders.
